

Preetha P

Full Stack Developer

About Me

Energetic and dedicated MCA graduate with a passion for full stack development and a strong foundation in Java, Html, and web technologies. Known for quick learning ability, problem-solving skills, and a keen eye for detail. I take pride in writing clean, efficient code and building intuitive user experiences. With hands-on experience through academic projects and a professional Full Stack Developer certification, I am eager to contribute my talents to a forward-thinking organization and continuously improve my technical skills.
